

DIPLOMA CONFERRAL

Diplomas are conferred four times each year: January, May, August, and December.

Students must submit a degree application form, available online via myRider (<http://myrider.rider.edu>) or in their academic dean's office, in order to be eligible to receive a diploma on any date. Students must apply for graduation by the deadlines established each year by the Registrar's Office. More information is available on the Commencement Candidates (<https://www.rider.edu/academics/academic-support/registrar/commencement-candidates/>) web page.

Diplomas are conferred only upon those who have met 100% of all degree requirements.
