

INTERNATIONAL BACCALAUREATE (IB) CREDITS

Incoming students may be granted up to 20 credits on the basis of their International Baccalaureate coursework. Credits are awarded for Higher Level IB courses based on the student receiving a score at or above the level approved by the department that evaluated the course (in no case less than a score of five).

In order to grant credit, Rider's Office of Undergraduate Admission must be sent an official IB transcript. For further information, please see International Baccalaureate (IB) Course Equivalency (<https://www.rider.edu/admissions/first-year/requirements-deadlines/college-credit/ib-course-equivalency/>) on Rider's website.
