

OUTSIDE ACTIVITIES – WESTMINSTER CHOIR COLLEGE

Westminster Choir College students are expected to give priority to all officially scheduled classes, lessons, rehearsals, on- and off-campus performances (including tours), and other official functions involving music students. Outside activities, such as employment, church or volunteer work, or other professional engagements should not conflict with college requirements or those listed on course syllabi. Students employed outside of the college should inform employers of their commitment to their education and their obligation to college classes and ensembles.
