

ACADEMIC SUPPORT SERVICES

Rider University offers a wide array of academic support services. Additional information regarding each of these can be found on Rider's website (<http://www.rider.edu/academics/academic-support-services/>). (<http://www.rider.edu/academics/academic-support-services/>)

Academic Success Center (<http://www.rider.edu/academics/academic-support-resources/student-success-center/>)

Offers free tutoring and other programs to enhance learning and development.

Career Development and Success (<http://www.rider.edu/careerservices/>)

Provides resume assistance, interview preparation, job search and postings, networking, career fairs, graduate school preparation, alumni services, employer partnerships and more.

Registrar (<http://www.rider.edu/academics/academic-support-resources/registrar/>)

Responsible for academic records, registration processing, degree and attendance verification, transcripts, grade reporting, veterans services, and maintenance of the student and course information systems.

Rider University Libraries (<https://www.rider.edu/academics/libraries/>)

The University Libraries support the student's academic journey by offering in-person and virtual consultations with librarians for information and research needs, quiet study areas and collaborative workspace, and technology such as virtual reality (VR).

Student Accessibility and Support Services (<http://www.rider.edu/academics/academic-support-resources/services-students-disabilities/>)

Ensures equal access by providing services for all students with qualifying documented disabilities.

TRIO Student Support Services (<https://www.rider.edu/academics/academic-support/trio-programs/>)

A comprehensive academic support program designed to increase performance, retention, and graduation rates, primarily of first-generation college students.
